

OFFICIAL PROGRAMME

Activity Title: **STEM Workshops & Entrepreneurship Training**

Venue: İstanbul, Türkiye

Duration: 20/04/2026 – 24/04/2026

Event Overview

- Scope: Erasmus + project titled “**SHERISE - Social Harmony and Empowerment through Reinvigorated Inclusive Social Endeavor**”
- Project Number: **2025-1-PL01-KA210-SCH-000350248**

Content and Objectives

- The program will focus on high-impact, hands-on learning experiences, including:
- STEM Workshops: Interactive sessions focusing on STEM/STEAM challenges.
- Entrepreneurship Training: Specialized modules for developing an "entrepreneurial mindset," with a specific focus on empowering female students in leadership.
- Collaborative Tasks: Team-based activities designed to solve real-world problems through design thinking and technical application.
